- Spelling in Third Grade helps to reinforce foundational skills, like phonics and word recognition.
- Spelling also challenge us with word meaning, and helps to improve reading comprehension.

Our Mission

- We will use Microsoft Teams to navigate through our day, from one class to the next.
- Through Microsoft Teams our daily meetings will be held, we will complete assignments together and on our own, and take quizzes and tests.
- You will find all documents, assignments, agendas, conversations and my announcements on Microsoft Teams.
- MICROSOFT TEAMS is OUR CLASSROOM!

Spelling

- Spelling Homework for the week will be assigned on Mondays and will be due that Friday.
- Please check your Spelling Team/Class on Microsoft Teams each week on Monday to see that weeks work.
- Our Spelling Class is scheduled for every Wednesday. We will come together for Spelling Class and review our words and review the pages that will be due that Friday for homework.
- On Fridays, I will request a quick Spelling Meeting from our Spelling Team so we can do our Spelling Test.
