

HERSHEY PARK HAPPY!

May 29, 2025

For those eligible students attending the Hershey Park Club trip, there are different ways to meet the costs of the trip this year. It costs \$90 to attend due to the rise in costs. That includes the cost of admission, the bus, the t-shirt, and a meal.

Students have three options to pay for the cost of the trip. In each of these options, the student will pay and/or fundraise to accumulate the total cost of the trip. If students choose to fundraise, they will receive the desired amount of boxes of 50 snack packs to be sold at \$2 each. NO SNACKS CAN BE RETURNED IF UNSOLD.

Option #1 – Half/Half: Student sells 1 box of snacks (valued at \$100), which earns the student \$45 toward the trip. In addition, the student pays \$45 to meet the remaining cost of the trip. The cost of this option is \$100 for the box of snacks (50 snacks x \$2 each), \$45 cash, plus the time and effort to sell one box of snacks. [The remaining money goes back to the supplier for the cost of snacks.] ***TOTAL DUE: \$145.00*** ←

Option #2 – All Fundraising: Student sells 2 boxes of snacks (valued at \$200), which earns the student \$90 toward the trip. The cost of this option is \$200 for the boxes of snacks (100 snacks x \$2 each), zero out of pocket money, plus the time and effort to sell two boxes of snacks. [The remaining money goes back to the supplier for the cost of snacks.] ***TOTAL DUE: \$200.00*** ←

Option #3 – Out-of-Pocket: Student pays \$90 to “buy out” of any fundraising. No selling of anything is required. ***TOTAL DUE: \$90.00*** ←
