PARTICIPATION

Participation: Students will start each quarter with a 100% as a participation grade. The grade will be determined by the following factors: being prepared for class, following classroom rules, being attentive in class, and behavior. If the student decides NOT to follow any of the above factors, it will result in a deduction of 1-2 points.

HOMEWORK

Homework: Homework will be given throughout the week, EXCEPT on Friday's. Each homework assignment will be checked and graded as complete or incomplete. Students will be allowed to hand-in late assignments. However, a deduction of 5 points will be taken off for each day late.
