

- 1 One is fun,
Straight down, you're done.
- 2 Curve around the track, then straight
Back, the train goes two, two, two.
- 3 Half a circle, half a circle, It's as easy
As can be. That's the way to
Make a 3.
- 4 Down and over, then down some
More, that's the way to make a 4.
- 5 Mr. 5 goes down straight, then a
Big fat tummy, when you put on his
Hat, he looks sort of funny.

6 Curve around and make a loop, Mrs.
6 rolls a hoop.

7 Come across the top, slant down
to a stop...seven!

8 Make an "S", but do not wait, Climb
Back up to make an 8.

9 First a loop and then a line,
That's the way to make a 9.

10 One line and a circle, again,
That's the way to make a 10.
