### Queen Rebecca's Hopping Good Time

Written by: Leigh Hargett

Illustrated by: Mike Galloway

Queen Rebecca was the queen of all the frogs that lived in Shallow Valley. She was a nice queen that loved to have fun. One day she got an idea to throw a party for all the frogs of Shallow Valley. She worked really hard to plan the party. She made sure that there were cupcakes, punch, music, and of course fly pops. She invited every frog in Shallow Valley to the party. Everyone had a hopping good time and as always Queen Rebecca had the best time of all.
