

Intrigued by the past???

Welcome to the Valley Middle School History Club. The History Club is a home for students who are passionate about the study of history and want to explore that passion in new and exciting ways. The objective of the History Club is to offer a venue for students to pursue their historical interests outside the regular classroom. Members will meet monthly after school at the Valley School or at the school's outdoor pavilion area. This club gives its members the unique opportunity to share their love and knowledge of history with others and have fun while doing it. Throughout the year, members will have conversations about historical issues, debunk historical myths, and give critical analysis of historical events. Activities will include films, social events and fundraisers, and field trips to historical sites. So, if you love history and want to learn more about the past, this club is for you!!!

Students: Please sign that you understand the rules stated on the back of this sheet.

Parents: Please sign and date below indicating your permission for your son or daughter to participate in the club.

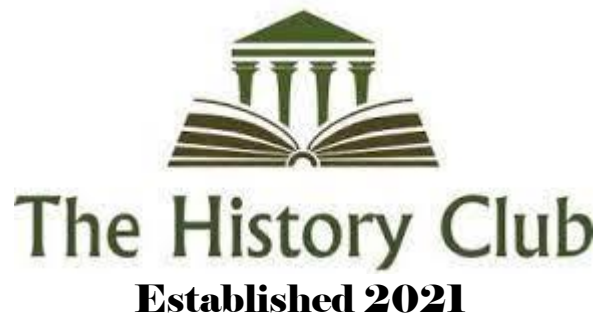

Student's Name: _____

Student's Signature: _____

Parent's Signature: _____

Date: _____

Valley History Club By-Laws

1. Members are expected to participate, to the best of their ability, in the History Club. Inappropriate behavior will not be tolerated and anyone not participating in the club may be dropped at my discretion.
2. Members of the club who have disciplinary action resulting in 2 days suspension, (whether these suspensions are concurrent or discontinuous, in school or out of school) will be dropped from the club. Also, members can be removed from the club for violating school and classroom rules. Being a member of the History Club is a privilege.
3. Members are expected to be in good academic standing. Any member failing a class will not be allowed to participate for that week.
4. Any problems are to be directed to me immediately.
5. Have fun and keep making history!!
