GUIDANCE

Current 10th and 11th grade students interested in education: King's College is offering a completely paid for weeklong free summer camp on teacher leadership. Spots are first-come-first-served. Visit the guidance webpage for registration details or see your counselor.

Students who are interested in taking credit recovery this summer should see their school counselor for summer school information.

Current 10th and 11th grade students interested in taking 1 or 2 free early college summer classes at the Hazleton LCCC center are to see their school counselor for registration information. The courses available are English Composition and Research and General Psychology.

The Luzerne Foundation is accepting applications from current 9th and 10th grade students for their Youth Advisory Committee designed to introduce students to community development. See your school counselor for additional information.

NURSE'S OFFICE

The Pennsylvania Department of Health mandates a physical examination be completed by a care provider/physician on all students entering 11th grade. The Pa Dept of Health also mandates all students receive a Meningococcal (MCV) vaccination on or after the student's 16th birthday to enter 12th grade. Please keep this in mind and discuss with your care provider/physician at the time of 11th grade physical exam. The state of Pennsylvania requires that all students entering 12th grade must have a 2nd dose of Meningococcal Conjugate (MCV). If the first dose was given at 16 years of age or older, then only one dose is required, and that shall count as the 12th grade dose. Written proof of this immunization from your physician must be returned to the school nurse prior to the first day of 12th grade. Failure to provide the necessary documentation will put your child at risk for exclusion from school.

TUTORING

Reminder that there is tutoring every Tuesday and Thursday immediately after school until 5PM in the high school library.
