KEYSTONE TESTING IS NEXT WEEK

The state mandated Keystone Tests will begin next week.

- Literature May 15 and May 16
- Biology May 17 and May 18
- Algebra May 22 and May 23

HAPPY BIRTHDAY

Kids everywhere celebrate birthdays. But not everyone celebrated the same way. Here are five traditions from around the world.

Mexico- Piñatas are popular in Mexico for children's birthday parties.

Netherlands- People celebrate crown years. These are ages 5, 10, 15, 20 and 21. Crown years are special and the celebrations are big!

Ghana- People eat yams. Oto is a birthday breakfast made of yams and eat for celebrations

China- Long noodles mean long life. People eat a bowl of long noodles. They try to slurp up the noodles in piece, no bites.

Australia- Fairy bread is the thing. It's made with white bread topped with butter and sprinkles.

Teacher SPOTLIGHT

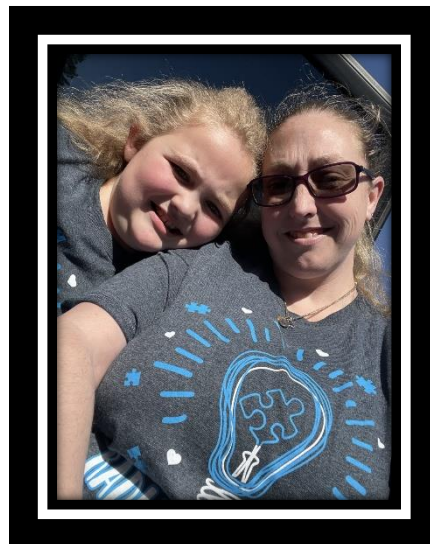

KERRIN METALLO

STUDENT SPOTLIGHT

BRODY SINGLEY

Miss George has nominated Brody as the student spotlight because he has all the qualities of a star student. Brody is always prepared for class with his books opened to the correct page, ready to begin. He participates throughout class and raises his hand when he would like to speak. Brody never calls out, patiently waits his turn, and completes his work in a timely fashion. He also shows support for his classmates with his positive attitude. Brody is a representation of a responsible learner and follows all classroom expectations. I am honored to be Brody's teacher and know he will succeed in all he does. I am excited to see him flourish!

Mrs. Metallo is one of our new Cyber Academy's Special Education teacher. She teaches both Math and Reading. Mrs. Metallo has been teaching for 20 years (in New York, Nevada, Pennsylvania, and Taiwan) and only started this year with the Hazleton Area School District.

What she loves about teaching online is getting to learn more about technology and being able to connect with more students in a different way.

In her free times she loves to travel to see her family, got to concerts with her husband and kids (even the ones he is working), baking.

Mrs. Metallo's favorite book is "Harry Potter Series." Her favorite music group is Dierks Bently. She last binged watched Chicago Fire and The Big Bang Theory.

At home she lives with her husband, daughter, foster son, and their dog Twinkie.

Mrs. Metallo wants you all to know that you are all able to do anything you put your mind too. Just know no matter what is going on "You Got This!!"
