Cinco de Mayo celebrates the date of the Mexican army's 1862 victory over France during the Franco-Mexican War. While it is a relatively minor holiday in Mexico, in the United States, Cinco de Mayo has evolved into a commemoration of Mexican culture and heritage, particularly in areas with large Mexican-American populations.

Teacher SPOTLIGHT

ALISSA HETHERINGTON

STUDENT SPOTLIGHT

ALANA GANC

Miss Rodgers nominated Alana from for the Student Spotlight this week. Alana is an all around great student!!! She attends all live classes and completes all her work on time and shows her work. shows her work . Alana participates every day and is always willing to provide an answer. Alana is also eligible to join National Junior Honor Society.

Hi I am Miss Hetherington but I go by Miss H. This is my friend Maurice. I teach English at the high school level. I've been teaching for two years, but this is my first year with the Cyber Academy. What I love about teaching online is being able to share my love for literature and literary analysis with my students.

When I'm not in school, I enjoy reading, snowboarding, traveling, and trying new things. I've been to 14 countries! Lately, I've been on an art kick and tried making stained-glass for the first time.

My favorite food changes weekly. This week it's Chinese. My musical artist I like also changes weekly. This week I would have to say Pink. I also like Taylor Swift, Adele and Kelly Clarkson.

I just finished Daisy Jones and the Six by Taylor Jenkins Reid. She's my new favorite author. I just binge watched Pretty Little Liars. It came out while I was in middle school, so I mostly watch it for the nostalgia.

If I could have dinner with one person, dead or alive, I'd have dinner with my grandfather. He passed while I was in college.

I am a dog person all the way. I have two rescues: Rosco and Copper.

Something about me that you may not know is that I love to see my students excel in their activities outside of class. If you play any sports, have an exhibit at the Hazleton Art League, participate in dance/gymnastics, or play an instrument, let me know when you have a game, meet, exhibit, recital, etc. I'd love to see what amazing things you are doing!

Neveah DeJesus blew away Mrs. Cunningham this week. Her assignment was to make a llama in class using cardboard. On the send day we turned that llama into a loom and used string to weave its back cover. She could have stopped there but she didn't. She wove a construction paper weaving background and added her own drawings to make it come alive. She worked hard on her own time. Her Mother loves art and guides all her kids in my class. Mrs. Cunningham said, "I am totally impressed."

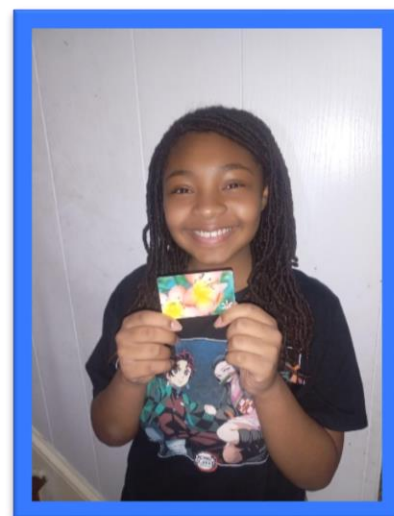

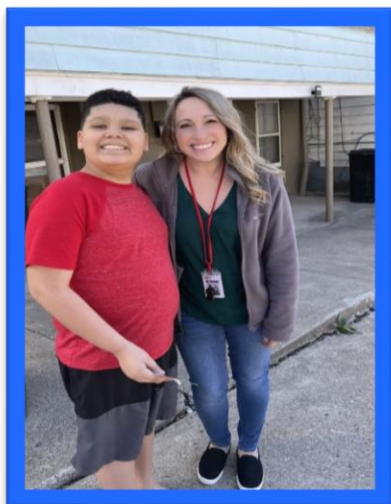

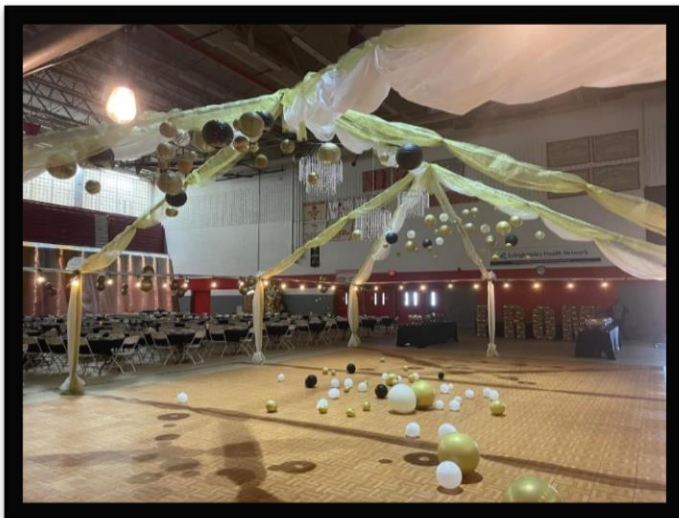

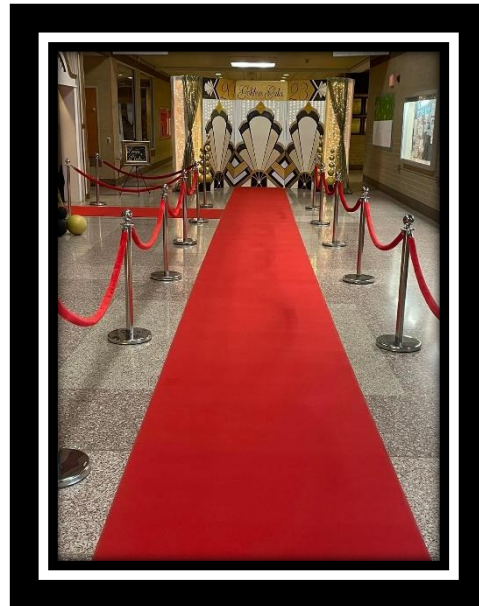

Third graders Michaelina, Jazlyn, Bryan, Amaia, and Natalya all participated in a nature scavenger hunt celebrating Earth Day last week!! They had a successful hunt celebrating a beautiful day and all nature has to offer us!

Juan "Romeo" Hernandez and London Monzon won our month long Imagine Learning contest. The students who spent the most time and most lessons complete on imagine math and also imagine language and literacy received a gift card from Mrs. Kinney. She presented the 1st place winner Juan "Romeo" Hernandez. He had 5 hours on imagine math and 9 hours on imagine language and literacy!! London Monzon came in second place for imagine language and literacy, while Adrian Echeverri Estrella came in second place for imagine math. Alena Pizarro came in 3rd place for both imagine language and literacy and imagine math! We have another contest going on now and it will be over May 19th! Good luck 5th grade!!
